An Online Plática on Cross-Cultural Protocols & Indigenous Etiquette

In the spirit of All My Our Relations, Maestra Grace will share cultural and social ways that have helped build harmonious relationships for generations.

- What is the respectful way to invite an Indigenous elder to speak at a non-Indigenous gathering or conference?
- How and why does one offer tobacco?
- What is the protocol when asking for healing from a traditional spiritual healer or a curandero?
- How do I approach a knowledge keeper to ask for teachings?
- How does one offer a donation?
- When is it appropriate to wear a long skirt?
